Ritlee Sprinkaan 500 Rotary Brush cutter and Lawnmower

3mm Thick Pressed steel blade disc this is dished and lipped for extra strength.

Height Adj:
10 to 120mm (6 Positions)

The disc has two industrial blades fitted.

Sprinkaan is a fantastic 3 wheel mower that is light and extremely manoeuvrable. This machine is capable of cutting both long and short grass.

All wheels have 2 sealed replaceable ball bearings.

The front wheel has 7 position height adjustment on a swivel wheel and the rear wheels have 4 position height adjustment.

The machine is fitted with telescopic handle bars. The deck is 2,5mm pressed steel, formed and creased with strength lines. The engine plate is mounted on 4 rubber mountings to absorb excessive vibration and protect the engine.

The operating principal is similar to that of a brush cutter. This machine however will give you greater production and ease of use for operators.

The Sprinkaan comes with an optional removable steel skirt which is used when cutting good controlled areas.

Remove the skirt to cut out of control tall grass areas.
